*Exceptions to this deadline are proposals to establish or inactivate a degree or major, or to offer a major fully online, in an accelerated delivery or at another campus or location, all of which require additional (external) steps for approvals. Please work with the Office of Curriculum Services to determine a timeline for implementation for this types of proposals.

Implementation of Revisions to Program Admission Criteria

Because the admission window for a semester opens so far in advance of the start of that semester, the implementation date for revisions to a program’s admission criteria cannot follow the same deadlines as other program revisions.

Therefore,

- A revision to a program’s admission criteria will be implemented for the next admission window unless a later term is requested.
- Revisions will be implemented only after approval by the Educational Policies Council (EPC).
- Revised admission criteria will be noted in the next-published University Catalog after current admission criteria (e.g., *Effective for spring 2019, admission criteria will be the following...*).
