BASIC FACTS OF THE EDUCATIONAL POLICIES COUNCIL

WHAT IS THE EDUCATIONAL POLICIES COUNCIL?

The Educational Policies Council (EPC) is a committee of the Faculty Senate charged with the long-range academic planning and overall curriculum and academic policy guidelines for Kent State University. The EPC was established on 1 July 1967, a successor to the University Council on Curriculum.

In the grand scheme of institutional academic matters, the EPC is the final approving or notifying body for the majority of curriculum proposals presented.

For more substantial items (e.g., new degree program or university policy), the EPC is gateway between the academic colleges and the university-wide and/or external approving bodies.

WHEN AND WHERE DOES THE EPC MEET?

The EPC meets in the Governance Chambers (second floor of the Kent Student Center on the Kent Campus) typically on the third Monday of each month, with the exceptions of June, July and December. Please note that there are exceptions to the third-Monday rule. The schedule of meetings is posted online at www.kent.edu/provost/curriculum/epc-meeting-schedule-agendas.

The meeting starts at 3:20 p.m., and ends when the agenda is covered, and the chair adjourns.

The meeting is open seating. Before selecting a seat, you should pick up a placecard with your name on it (yellow for members of Undergraduate EPC and orange for members of Graduate EPC).

HOW DID I BECOME A MEMBER, AND HOW LONG DO I HAVE TO SERVE?

You are a member because you are one of the following:

a. the university provost or the chair of the Faculty Senate
b. a college dean or associate college dean with graduate oversight
c. a member of your college's curriculum committee and elected to serve on the council
d. a member of the Faculty Senate, the Undergraduate Student Senate or the Graduate Student Senate and appointed by that body to serve on the council

If you were appointed by the Faculty Senate, your term on EPC is two academic years, beginning in July. If you were elected by your college curriculum committee, your term is one academic year. For other appointments, your term is as forever long you remain in your position.

A list of members is posted online at www.kent.edu/provost/curriculum/epc-members.

HOW DO I KNOW WHAT’S ON THE AGENDA?

The agenda and all supporting materials are posted online one week before the scheduled meeting and sent via e-mail to EPC members, as well as to department chairs, school directors and associate and assistant deans of Kent State’s colleges and campuses.
EPC COMPOSITION AND VOTING

The EPC comprises two membership bodies, one responsible for undergraduate education and the other responsible for graduate education. The two bodies come together for every meeting, unless there is no agenda for one, to remain aware of curricular actions and issues at both levels.

Only voting members of the Undergraduate EPC can vote on items listed on the Undergraduate EPC agenda; and only voting members of the Graduate EPC can vote on items listed on the Graduate EPC agenda. However, all members have the opportunity to engage in discussion pertaining to both graduate and undergraduate agenda items. **There is no voting by proxy.**

RESPONSIBILITIES OF THE EDUCATIONAL POLICIES COUNCIL

The Educational Policies Council is responsible for the following:

- Long-range academic planning, both conceptually and structurally, which should reflect the academic mission and goals of the university
- Overall curricular planning and policy guidelines for the university
- Approval of new, substantially revised or eliminated degree programs
- Approval of new, eliminated or revised academic policies and operational procedures and regulations

- Approval of new, revised or eliminated administrative academic units (e.g., department)
- Review of articulation, consortia and contractual agreements that have curricular implications.
- Monitoring of curricular changes generated by a specific academic unit of the university as they affect other courses, programs and academic units
- Sensitivity to proliferation and duplication of courses and programs
- Arbitration of interdepartmental and intercollegial curricular disputes or misunderstandings;
- Review of all curricular changes and proposals originating with academic units to assure effective adherence to university-wide policies

HOW TO PREPARE FOR AN EPC MEETING

Review materials prior to the meeting. Contact the Office of Curriculum Services before the meeting if you cannot access the agenda or supporting documents or have any questions about a proposal.

Be mindful that any proposal coming before EPC should align with the mission and goals of Kent State, support student success and enhance and contribute to the reputation and integrity of a Kent State education.

Talk to your Kent State colleagues and supporting staff about proposed initiatives coming before EPC to understand different perspectives, experiences and opinions that may better inform your decision. For example, if there is a proposed policy that affects students’ overall requirements for graduation, you may want to consult with professional and faculty advisors prior to the meeting.

Come willing to participate in thoughtful discussion that is based on informed knowledge.

Understand that you will be serving a dual role as an EPC member:

1. as a representative of your academic home and its interests, and
2. as a participating member of the Kent State community with the responsibility of contributing to the overall benefit of the students and the university.

GUIDELINES FOR DETERMINING EPC AGENDA STATUS

ACTION ITEMS

Proposals listed under “Action Items” on the agenda will be discussed and voted upon by EPC members. For some of these proposals, the EPC is the final approver; others required further approvals before implementation. Supporting documents for each action item are sent to EPC members to review before the meeting. Typical proposals listed under “Action Item” include the following:
• Minor – establishment
• Certificate – establishment  \[EPC \text{ is final approver}\]

• Unique program (i.e., affects students from more than one academic unit; e.g., Military Studies, Washington Program) – establishment, revision, inactivation

• University academic requirement (e.g., Kent Core) – establishment, revision, inactivation

• University academic administrative policy (e.g., dismissal) – establishment, revision, inactivation

• University academic operational procedures or regulations (e.g., withdrawal from the university) – establishment, revision, inactivation

• Academic unit (e.g., college, school) – establishment, revision, inactivation

• Center or institute with curricular implications – establishment, revision, inactivation

• Major or degree – establishment, name revision, inactivation

• Campus – establishment, revision, inactivation  \[Ohio \text{ Department of Higher Education and the Higher Learning Commission are final approvers}\]

INFORMATION ITEMS

Proposals listed under “Information Items” on the agenda are considered notification to the EPC and may be discussed if so requested by an EPC member. These items are not voted upon unless a motion to do so is made by an EPC member. Supporting documents for each information item are sent to EPC members to review before the meeting. Typical proposals listed under “Information Item” include the following:

• Preliminary proposal for a new major or degree (e.g., “Initial Inquiry” for undergraduate; “Program Development Plan” for graduate). This is a brief document outlining development of a new major or degree that needs initial approval from the Ohio Department of Higher Education before submission of the full proposal.

• Temporary suspension of admissions into an academic program. Faculty may suspend admission into their program for maximum three years, after which it must be determined to either revise/reopen or inactivate.

• Offering (more than 50 percent) of an existing program at a Regional Campus, Kent State location (e.g., Twinsburg) or non-Kent State location (e.g., high school).

• Fully online delivery or hybrid online delivery (i.e, more than 50 percent) of an existing degree program; this may online only or online in addition to on-ground.

• Five-year review of certificate programs.

• Notifications from the Ohio Department of Higher Education, the Higher Learning Commission and/or the U.S. Department of Education regarding new and revised regulations, policies or procedures affecting the university.

LESSER ACTION ITEMS

Proposals listed under “Lesser Action Items” on the agenda are not discussed or voted upon unless a motion is made by an EPC member to do so; they considered approved once the meeting is adjourned. These proposals are curricular changes delegated to each college to approve. Supporting documents for each lesser action item are not sent to EPC members to review before the meeting; however, an EPC member can ask Curriculum Services to send the materials before the meeting. Typical proposals listed under “Information Item” include the following:
- Major – revision (including new, revised, inactivated concentrations)
- Minor – revision, inactivation
- Certificate – revision, inactivation
- Articulation or consortia agreement with curricular implications – establishment, revision, inactivation
- Course – establishment, revision, inactivation
- Course designated a university requirement (e.g., Kent Core*, diversity, writing-intensive, experiential learning, orientation) – establishment, revision, inactivation
- Academic policy or requirement within a unit – establishment, revision, inactivation

* Due to a moratorium on increasing the number of Kent Core courses, designation of Kent Core status to a new or existing course will come to the EPC as an action item to be voted upon.

PARLIAMENTARY PROCEDURES FOR THE EPC MEETINGS

EPC meetings follow Robert’s Rules of Order, which provide common rules and procedures for deliberation and debate in order to place the whole membership on the same footing and speaking the same language. The conduct of all business is controlled by the general will of the whole membership—the right of the deliberate majority to decide. Complementary is the right of at least a strong minority to require the majority to be deliberate—to act according to its considered judgment after a full and fair “working through” of the issues involved.

Robert’s Rules allow for constructive and democratic meetings, to help, not hinder, the business of the assembly. Under no circumstances should “undue strictness” be allowed to intimidate members or limit full participation.

The fundamental right of deliberative assemblies requires all questions to be discussed thoroughly before taking action. The assembly rules; it has the final say on everything. **Silence means consent.**

Procedures

- Before the motion is stated by the chair, members may suggest modification of the motion; the mover can modify as s/he pleases, or even withdraw the motion without consent of the seconder; if mover modifies, the seconder can withdraw the second.
- The member moving the item is entitled to preference to the floor.
- No member can speak twice to the same issue until everyone else wishing to speak has spoken to it once.
- Remarks must be courteous in language and deportment—avoid all personalities, never allude to others by name or to motives.
- The agenda and all committee reports are merely recommendations. When presented to the assembly and the question is stated, debate begins and changes occur.
