

TO: Educational Policies Council

FROM: Interim Senior Vice President and Provost Melody J. Tankersley

SUBJECT: Agenda for Monday, 21 October 2019
3:20 p.m., Room 319, Kent Student Center

DATE: Tuesday, 15 October 2019

If any of the action items require corrections or create consequences not addressed in the proposal, please bring these matters to the attention of the Office of Curriculum Services before the meeting. If you wish to elevate an information item or lesser action item on the agenda to an action or discussion item, please notify the Office of Curriculum Services by Friday, 18 October 2019, to ensure that the materials are available at the meeting for review.

ACTION ITEMS

1. Minutes of meeting on 19 August 2019.
[Attachment 1](#)
2. Minutes of meeting on 16 September 2019.
[Attachment 2](#)

UNDERGRADUATE EDUCATIONAL POLICIES COUNCIL

ACTION ITEMS

College of Arts and Sciences

1. Inactivation of the Integrated Life Sciences [ILS] major within the Bachelor of Science [BS] degree. Admission to the program was suspended fall 2019 (19 November 2018 agenda), although the last cohort was admitted in 2016. There are nine active students enrolled in the program, with expected graduation dates of fall 2019, spring or summer 2020. All ILS courses (seven) are being inactivated with the program.
Effective Fall 2020 | [Attachment 3](#)

College of Arts and Sciences, *Department of Geography*

2. Establishment of an Environmental Studies [ENVS] minor to be offered at the Kent Campus and Stark Campus. Minimum total credit hours to program completion are 18.
Effective Fall 2020 | [Attachment 4](#)

UNDERGRADUATE EPC AGENDA *continued***LESSER ACTION ITEMS****College of Applied and Technical Studies**

1. Revision of progression requirements for the Physical Therapist Assistant Technology [PTST] major within the Associate of Applied Science [AAS] degree. Revision includes no longer requiring the completion of high school or college level physics and biology courses; and replacing the language " completion (or placement out) of developmental English and reading" with "completion (or placement out) of all prescribed developmental courses in order to take major courses.
Effective Fall 2020

College of Education, Health and Human Services, *School of Lifespan Development and Educational Sciences*

2. Establishment of a Career Community Studies–College Preparation [CCSC] major within the [NDUG] non-degree. The two-year program will prepare students with intellectual and developmental disabilities for adult life through academic pursuits, peer socialization and career discovery and preparation. Minimum total credit hours to program completion are 60.
Effective Fall 2020
3. Establishment of a Career Community Studies–Employment Readiness [CCSE] major within the [NDUG] non-degree. The two-year program will prepare students with intellectual and developmental disabilities for employment. Minimum total credit hours to program completion are 60.
Effective Fall 2020
4. Revision of course and graduation requirements for the Career Community Studies [CCC] major within the [NDUG] non-degree. Revision includes removing CCS 00215, CCS 00225, CCS 00325; adding CCS 00040, CCS 00140; increasing credit hours of special topic electives; and decreasing major and overall GPA for graduation, from 2.500 to 2.000. Minimum total credit hours to program completion are unchanged at 120.
Effective Fall 2020

GRADUATE EDUCATIONAL POLICIES COUNCIL

ACTION ITEMS

College of Architecture and Environmental Design

1. Establishment of a Construction Management [COMA] major within the Master of Science [MS] degree, to be offered at the Kent Campus. Two courses (CMGT 62080, CMGT 65099) are established for the program. Minimum total credit hours to program completion are 35. Effective Fall 2020 pending final approvals | [Attachment 5](#)

College of Arts and Sciences, *Department of Geography*

2. Revision of degree name for the Geography [GEOG] major within the Master of Arts [MA] degree. Revised degree is Master of Science [MS]. Admission, course and graduation requirements are unchanged. Effective Fall 2020 pending final approvals | [Attachment 6](#)

LESSER ACTION ITEMS

College of Communication and Information, *School of Communication Studies*

1. Revision of admission and course requirements for the Communication Studies [COMM] major within the Master of Arts [MA] degree. Revision includes removing the GRE requirement; and decreasing electives, from 23 to 21 credit hours. Minimum total credit hours to program completion decrease, from 32 to 30. Effective Fall 2020 (effective spring 2021 for admission revision)

College of Education, Health and Human Services, *School of Teaching, Learning and Curriculum Studies*

2. Revision of admission requirements for the Physical Education Teacher Education [PETE] concentration in the Curriculum and Instruction [CI] major within the Master of Education [MED] degree. Revision includes replacing the GRE requirement with the Praxis Core tests; and applicants will be assessed holistically, considering several factors. Effective Spring 2021
3. Revision of course requirements for the Reading Specialization [READ] major within the Master of Education [MED] degree. Revision includes adding CI 67396 as required; removing electives CI 67314 and CI 67315; and decreasing credit hours for CI 67692, from 4 to 3. Minimum total credit hours to program completion are unchanged at 32. Effective Fall 2020
4. Revision of admission requirements for the Secondary Education [SEED] major within the Master of Arts in Teaching [MAT] degree. Revision includes replacing the GRE requirement with the Praxis Core tests; and applicants will be assessed holistically, considering several factors. Effective Spring 2021
