2019–2020 KENT STATE UNIVERSITY REQUIREMENTS

KENT CORE REQUIREMENT FOR A.A.B., A.A.S. AND A.T.S. DEGREES

As part of the requirements for an Associate of Applied Business, Associate of Applied Science or Associate of Technical Study degree, students complete minimum 15 credit hours from the Kent Core. Visit the University Catalog (Undergraduate University Requirements) for information on transfer, proficiency and other options to meet the Kent Core. LEGEND - G: Global Diversity: D: Domestic Diversity: TM: Ohio Transfer Module

```
COMPOSITION (KCMP) 3 credit hours
                                                                                       SOCIAL SCIENCES (KSS) 3 credit hours
 TM ENG 11011 College Writing I (3)
                                                                                      ANTH 18210 Global Cultural Diversity: Anthropological Perspectives (3)
    or ENG 11002 College Writing I-Stretch (3)

       only one course can be used towards graduation.
                                                                                   TM
                                                                                      PHY
                                                                                              13012
     ** Science-related major course; NOT recommended for non-science majors.
                                                                                                     General College Physics Laboratory I (1)
                                                                                LAB TM
                                                                                       PHY
                                                                                              13021
                                                                                                     General College Physics Laboratory II (1)
                                                                                      PHY
                                                                                LAB TM
                                                                                              13022
                          FIRST-YEAR REQUIREMENT
                                                                                             21040 Physics in Entertainment and the Arts (3)
                                                                                   TM
                                                                                      PHY
     All undergraduate students are required to complete UC 10097 Destination
                                                                                LAB TM
                                                                                      PHY
                                                                                             21041 Physics in Entertainment and the Arts Laboratory (1)
     Kent State: First Year Experience (1 credit) with the following exceptions:
                                                                                   TM
                                                                                      PHY
                                                                                             21430 Frontiers in Astronomy (3)
                                                                                LAB TM PHY
                                                                                             21431 Frontiers in Astronomy Laboratory (1)
