Title: Ultrasound Clinical Education II

Abbreviation: Ultrasound Clinical Education II

Number: RIS 34055

Prerequisite: RIS 34042, 34044, 34045, 34083, 44083; corequisite: RIS 34055

Credit Hours: 03-03

Description: Continuation of RIS 34042; anatomy, physiology, and pathology of the abdomen; instrumentation and scanning techniques; normal and abnormal sonographic appearance of abdominal structures will be presented.

Grade Rule: UC - Undergraduate Letter Graded

Credit-by-exam: CBE-D

Activity Type: LEC

EPC Approval: 04/16/01

20. Establish RIS 34062 Obstetrics and Gynecology Sonography I [02-02]

Title: Obstetrics and Gynecology Sonography I

Abbreviation: Ob-Gyn Sonography I

Number: RIS 34062

Prerequisite: RIS 34083, 34044, 34045, 44083, 34052, 34055.
Corequisite: 34065.

Credit Hours: 02-02

Description: Anatomy and pathophysiology of the non-pregnant female pelvis, instrumentation and scanning techniques, normal and abnormal sonographic appearances and findings of the uterus, fallopian tubes and ovaries will be covered.

Grade Rule: UC - Undergraduate Letter Graded

Credit-by-exam: CBE-D

Activity Type: LEC

EPC Approval: 04/16/01

21. Establish RIS 34065 Ultrasound Clinical Education III [02-02]

Title: Ultrasound Clinical Education III
Abbreviation: Ultrasound Clinical Ed III
Number: RIS 34065
Prerequisite: Permission. Corequisite RIS 34062.
Credit Hours: 02-02
Description: Provides clinical education and experience at a clinical site to allow students the opportunity to practice skills necessary to obtain high quality sonographic images, to alter protocols based on patients and to identify image quality problems.
Grade Rule: U2
Credit-by-exam: CBE-D
Activity Type: CLN

EPC Approval: 04/16/01

22. Establish RIS 34082 Small Parts Sonography [01-01]

Title: Small Parts Sonography
Abbreviation: Small Parts Sonography
Number: RIS 34082
Prerequisite: RIS 34083, 34044, 44075, 44083. Corequisite: RIS 44085.
Credit Hours: 01-01
Description: Anatomy and pathophysiology of superficial structures; instrumentation and scanning techniques; normal and abnormal sonographic appearances of small structures; correlation with lab findings and other imaging modalities will be presented.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

23. Establish RIS 34083 Sectional Anatomy in Medical Imaging [03-03]

Title: Sectional Anatomy in Medical Imaging
Abbreviation: Sect Anat in Med Imag
Number: RIS 34083
Prerequisite: Program admission and BSCI 11000 or BSCI 20020
Credit Hours: 03-03
Description: Presentation of sectional anatomy of the body in the transverse (axial), sagittal and coronal planes as seen in medical images in CT, MRI, and Diagnostic Medical Sonography.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

24. Establish RIS 44001 Patient Management in Nuclear Medicine [02-02]

Title: Patient Management in Nuclear Medicine
Abbreviation: Patient Mgmt in Nuclear Med
Number: RIS 44001
Prerequisite: Program admission
Credit Hours: 02-02
Description: Provides a working knowledge of a health care facility's function, basic patient care skills, emergency care, patient communications and professionalism. Includes interactions and care of diverse populations.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

25. Establish RIS 44002 Nuclear Medicine Procedures I [03-03]

Title: Nuclear Medicine Procedures I
Abbreviation: Nuclear Medicine Proced I
Number: RIS 44002
Prerequisite: Program admission
Credit Hours: 03-03
Description: An introduction to imaging "in vivo" nuclear medicine procedures. Course focuses on the biological, anatomical and physiological aspects involving the skeletal, cardiovascular, respiratory, genitourinary and gastrointestinal organ systems.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

26. Establish RIS 44005 Nuclear Medicine Clinical Education I [02-02]

Title: Nuclear Medicine Clinical Education I
Abbreviation: Nuclear Med Clinical Ed I
Number: RIS 44005
Prerequisite: Program admission
Credit Hours: 02-02
Description: Provides clinical experience at assigned clinical site. Includes orientation to program and policies, observation of procedures, patient management, radiation safety, equipment orientation, and the competency procedures.
Grade Rule: U2
Credit-by-exam: CBE-D
Activity Type: CLN

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

27. Establish RIS 44006 Nuclear Medicine Physics and Instrumentation I [04-04]

Title: Nuclear Medicine Physics and Instrumentation I

Abbreviation: Nuc Med Physics Inst I

Number: RIS 44006

Prerequisite: Program admission. Corequisite RIS 44010

Credit Hours: 04-04

Description: Presents concepts and physical principles of nuclear medicine physics including interactions with matter. Also presents information on radiation detectors and their applications, functions and limitations.

Grade Rule: UC - Undergraduate Letter Graded

Credit-by-exam: CBE-D

Activity Type: LEC

EPC Approval: 04/16/01

28. Establish RIS 44010 Nuclear Medicine Clinical Education II [02-02]

Title: Nuclear Medicine Clinical Education II

Abbreviation: Nuc Med Clinical Ed II

Number: RIS 44010

Prerequisite: Prerequisite: program admission, RIS 44001, 44002, 44005. Corequisite RIS 44006.

Credit Hours: 02-02

Description: Continuation of RIS 44005 with emphasis on clinical procedures covered in RIS 44005 and equipment from RIS 44006. Competency testing begins. Assigned to clinical site 16 hours per week.

Grade Rule: U2

Credit-by-exam: CBE-D

Activity Type: CLN

EPC Approval: 04/16/01

29. Establish RIS 44011 Nuclear Medicine Radiopharmacy [03-03]

Title: Nuclear Medicine Radiopharmacy
Abbreviation: Nuclear Med Radiopharmacy
Number: RIS 44011
Prerequisite: Prerequisite: RIS 44001, 44002, 44005, 44006, 44010.
Corequisites: RIS 44012, 44014, 44015, 44017.
Credit Hours: 03-03
Description: Includes methodologies, calculations and basic properties of radionuclides. Radiopharmaceutical chemistry is applied and localized and quality control are examined. Includes radiopharmacy management and governing rules and regulations.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC
EPC Approval: 04/16/01

30. Establish RIS 44012 Nuclear Medicine Procedures II [03-03]

Title: Nuclear Medicine Procedures II
Abbreviation: Nuclear Med Procedures II
Number: RIS 44012
Prerequisite: RIS 44001, 44002, 44005, 44006, 44010. Corequisite: RIS 44011, 44014, 44015, 44017.
Credit Hours: 03-03
Description: Emphasis on the biological, anatomical and physiological aspects of nuclear medicine procedures involving the endocrine and central nervous systems, as well as inflammatory, tumor, miscellaneous and pediatric studies.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC
EPC Approval: 04/16/01

31. Establish RIS 44014 Nuclear Medicine Physics and Instrumentation II [02-02]

Title: Nuclear Medicine Physics and Instrumentation II
Abbreviation: Nuc Med Physics & Inst II
Number: RIS 44014
Prerequisite: RIS 44002, 44005, 44006, 44010. Corequisites: RIS 44011, 44012, 44015, 44017.
Credit Hours: 02-02
Description: Physics and instrumentation of imaging devices is presented to include basic functions, application of principles, quality control and computer applications.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

32. Establish RIS 44015 Nuclear Medicine Clinical Education III [03-03]

Title: Nuclear Medicine Clinical Education III
Abbreviation: Nuclear Med Clinical Ed III
Number: RIS 44015
Prerequisite: RIS 44001, 44002, 44005, 44006, 44010. Corequisites: RIS 44011, 44012, 44014, 44017.
Credit Hours: 03-03
Description: Continuation of RIS 44010 with emphasis on clinical procedures covered in RIS 44012 and equipment in RIS 44014. Competency testing continues. Assigned to clinical site 24 hours per week.
Grade Rule: U4
Credit-by-exam: CBE-D
Activity Type: CLN

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

33. Establish RIS 44016 Nuclear Medicine Procedures III [03-03]

Title: Nuclear Medicine Procedures III
Abbreviation: Nuclear Med Procedures III
Number: RIS 44016
Prerequisite: RIS 44011, 44012, 44014, 44015, 44017. Corequisite: RIS 44020.
Credit Hours: 03-03
Description: Emphasis on In vitro Procedures, Immunology, Radionuclide therapy, SPECT and PET Scanning. Also includes a review of all nuclear medicine procedures.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

34. Establish RIS 44017 Nuclear Medicine Radiation Safety [03-03]

Title: Nuclear Medicine Radiation Safety
Abbreviation: Nuclear Med Radiation Safe
Number: RIS 44017
Prerequisite: RIS 44001, 44002, 44005, 44006, 44010. Corequisites: RIS 44011, 44012, 44014, 44015.
Credit Hours: 03-03
Description: Presents the units of radiation measurement, dose limits, safety and monitoring devices, safe handling of radioactive materials, licensing requirements, therapeutic doses, and the effects of radiation on the body.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

35. Establish RIS 44020 Nuclear Medicine Clinical Education IV [03-03]

Title: Nuclear Medicine Clinical Education IV
Abbreviation: Nuc Med Clinical Ed IV
Number: RIS 44020
Prerequisite: RIS 44001, 44002, 44005, 44006, 44010, 44011, 44012, 44014, 44015, 44017. Corequisite: RIS 44016.
Credit Hours: 03-03
Description: Continuation of RIS 44015 with emphasis on advanced procedures, SPECT and PET scanning, advanced and emerging technologies, teleradiology and PACS and critical thinking skills for the clinical site. Clinical time:384 hours.
Grade Rule: U2
Credit-by-exam: CBE-D
Activity Type: CLN

EPC Approval: 04/16/01

36. Establish RIS 44021 Patient Management in Computed Tomography (CT) [03-03]

Title: Patient Management in Computed Tomography (CT)
Abbreviation: Patient Management in CT
Number: RIS 44021
Prerequisite: Admission to program
Credit Hours: 03-03
Description: Provides knowledge about care-giving skills for patients undergoing CT exams. Information includes effective communication, problem solving techniques, patient safety/comfort, patient preparation, monitoring, contrast agents and venipuncture.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued
Effective Fall 2002 continued

37. Establish RIS 44022 Computed Tomography (CT) Imaging Procedures [03-03]

Title: Computed Tomography (CT) Imaging Procedures
Abbreviation: CT Imaging Procedures
Number: RIS 44022
Prerequisite: Program Admission
Credit Hours: 03-03
Description: Presentation of information about CT scanning techniques related to each part of the body as well as special studies. Positioning criteria, protocols and variations from routine exams will be included. Image quality evaluation criteria will be discussed.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

38. Establish RIS 44024 Physical Principles of Computed Tomography (CT) [03-03]

Title: Physical Principles of Computed Tomography (CT)
Abbreviation: Physical Principles of CT
Number: RIS 44024
Prerequisite: Program Admission; RADT 14004 or equivalent; COMT 11000 or equivalent.
Credit Hours: 03-03
Description: Information presented about data acquisition and processing. The components in the image acquisition system are outlined. The software and technical parameters used in the acquisition of images is discussed. Problem-solving methodologies discussed.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

Regional Campuses/College of Fine and Professional Arts continued

39. Establish RIS 44025 Computed Tomography (CT) Clinical Education [03-03]

Title: Computed Tomography (CT) Clinical Education

Abbreviation: CT Clinical Education

Number: RIS 44025

Prerequisite: Program Admission

Credit Hours: 03-03

Description: Provides clinical education at a clinical site to provide the opportunity to practice skills necessary to obtain high quality CT images, alter protocols to identify image quality and interact with patients of varying medical status. Competency exams required.

Grade Rule: U2

Credit-by-exam: CBE-D

Activity Type: CLN

EPC Approval: 04/16/01

40. Establish RIS 44031 Patient Management in MRI [03-03]

Title: Patient Management in MRI

Abbreviation: Patient Management in MRI

Number: RIS 44031

Prerequisite: Program Admission

Credit Hours: 03-03

Description: Provides information on the role of the MRI technologist in maintaining patient safety and comfort as well as personal and co-worker safety. MR contrast agents and venipuncture will be studied. Includes problem-solving with diverse patient types.

Grade Rule: UC - Undergraduate Letter Graded

Credit-by-exam: CBE-D

Activity Type: LEC

EPC Approval: 04/16/01

41. Establish RIS 44032 Magnetic Resonance Imaging Procedures [03-03]

Title:	Magnetic Resonance Imaging Procedures
Abbreviation:	MRI Procedures
Number:	RIS 44032
Prerequisite:	Program Admission
Credit Hours:	03-03
Description:	Provides the imaging techniques related to the body, special clinical applications, coil selection, scan sequences, protocols, positioning criteria, normal and abnormal anatomical and pathological structures, and signal characteristics.
Grade Rule:	UC - Undergraduate Letter Graded
Credit-by-exam:	CBE-D
Activity Type:	LEC
EPC Approval:	04/16/01

42. Establish RIS 44034 Magnetic Resonance Equipment & Image Acquisition [03-03]

Title:	Magnetic Resonance Equipment & Image Acquisition
Abbreviation:	MR Equipment & Image Acquisit
Number:	RIS 44034
Prerequisite:	Program Admission
Credit Hours:	03-03
Description:	Develops an understanding of MR image acquisition and the equipment used. Provides information in the use and manipulation of the hardware and technical parameters used in image generation, as well as safety and special applications.
Grade Rule:	UC - Undergraduate Letter Graded
Credit-by-exam:	CBE-D

Title: MRI Clinical Education
Abbreviation: MRI Clinical Education
Number: RIS 44035
Prerequisite: Program Admission
Credit Hours: 03-03
Description: Provides the opportunity to practice skills necessary to obtain high quality magnetic resonance images, to alter protocols, and to identify image quality problems, and make corrections. Students must pass competency exams to achieve objectives.

Grade Rule: U2
Credit-by-exam: CBE-D
Activity Type: CLN

EPC Approval: 04/16/01

44. Establish RIS 44072 Obstetrics and Gynecology Sonography II [03-03]

Title: Obstetrics and Gynecology Sonography II
Abbreviation: Ob-Gyn Sonography II
Number: RIS 44072
Prerequisite: RIS 34062
Credit Hours: 03-03
Description: Embryonic and fetal development throughout gestation; fetal measurements, normal fetal anatomy and physiology; and abnormal sonographic appearances of the fetus will be covered as well as invasive obstetric procedures and antepartum testing.

Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

Title: Vascular Sonography
Abbreviation: Vascular Sonography
Number: RIS 44074
Prerequisite: RIS 34044, 34065, 34083, 44083. Corequisite: RIS 44075
Credit Hours: 02-02
Description: Anatomy, physiology and hemodynamics of the cerebrovascular and peripheral venous systems; normal and abnormal sonographic vascular appearances; Doppler instrumentation and scanning techniques will be covered.
Grade Rule: UC - Undergraduate Letter Graded
Credit-by-exam: CBE-D
Activity Type: LEC

EPC Approval: 04/16/01

46. Establish RIS 44075 Ultrasound Clinical Education IV [03-03]

Title: Ultrasound Clinical Education IV
Abbreviation: Ultrasound Clinical Ed IV
Number: RIS 44075
Prerequisite: Permission; corequisite: RIS 44074
Credit Hours: 03-03
Description: Provides clinical education and experience at a clinical site to allow students the opportunity to practice skills necessary to obtain high quality sonographic images, to alter protocols based on patients and to identify image quality problems.
