The following approved actions are effective Fall 2001

Office of the Provost

University Requirements and Curriculum Committee

1. Approval of Writing Intensive Course [WIC] status for CHEM 30102 (02-02), Solutions Chemistry.

EPC Approval: 08/20/01

Faculty Senate Approval: 09/10/01 - Executive Committee

College of Arts and Sciences

Center for International and Comparative Programs

1. Establishment of CICIP 10195, ST: English as a Second Language [00-00]
Course used for record keeping only

EPC Approval: 08/20/01

Department of Chemistry

1. Revision of CHEM 30102 Solution Chemistry Lab [02-02]

Writing Intensive Status: Approved

EPC Approval: 08/20/01

Faculty Senate Approval: 09/10/01 - Executive Committee

College of Education

Department of Teaching, Leadership and Curriculum Studies

1. Inactivation of the Organizational Development major [EAOD] in the Master of Arts [M.A.], Master of Education [MED] and Educational Specialist [EDS] degree programs.

EPC Approval: 08/20/01

Faculty Senate Approval: 09/10/01

KSU Board of Trustees 09/26/01

Ohio Board of Regents: Notification only (2/28/02)

Effective Fall 2001 continued

Regional Campuses

School of Technology

1. Establishment of the: Database Administrator Certificate [C124]; Systems Engineer Certificate [C125]; and revision of Solutions Developer Certificate [C116]. Credit hours to certificate completion remain 17
EPC Approval: 08/20/01 - Information Item
2. Establishment of an articulation agreement between Kent State University School of Technology and Lakeland Community College.
EPC Approval: 08/20/01 - Information Item

The following approved actions are effective Spring 2002**College of Arts and Sciences***Department of Sociology*

1. **Establish SOC 62093, Variable Title Workshop in Sociology [01-06]**

Title:	Variable Title Workshop in Sociology
Abbreviation:	VT: Workshop in Sociology
Number/slash:	SOC 62093; slashed with SOC 72093
Prerequisite:	Permission; graduate standing
Credit Hours:	01-06
Description:	Concentrates on professional or disciplinary concerns. Specific content to vary according to needs of client groups. "S/U" graded.
Grade Rule:	G9
Credit-By-Exam:	CBE-N
Activity Type:	WSP
EPC Approval:	10/22/01

2. **Establish SOC 72093, Variable Title Workshop in Sociology [01-06]**

04/15/02

Distance Education and Learning Technologies Advisory Committee [DELTAC]
05/13/02

Multidisciplinary Advisory Committee [MAC]
05/13/02

2. Formulation of Educational Policies Council Subcommittee to consider change to a plus/minus grading system.
EPC Approval: 05/13/02

University Requirements and Curriculum Committee

1. Clarification for the Fall 2002 Undergraduate Catalog:
At the August 20, 2001 EPC meeting, PHY 23001, 23002 and 23003 were reviewed and approved for LER status. This sequence was recommended for approval as substitutions for the Basic Sciences requirement category, not as new LERs.
EPC approval: 04/15/02 - Administrative Action

Institutional Diversity

1. Diversity Implementation Plan
EPC Discussion Item: 09/24/01
Faculty Senate: 11/05/01 - Information Item

Provost's Office continued
Effective Fall 2002 continued

Assistant and Associate Deans

1. Revision of catalog language addressing non-registered students from taking classes and retroactive class addition.
EPC Approval: 05/13/02
Faculty Senate Approval: Pending

Office of Enrollment Management and Student Affairs

Adult Services

1. Establishment of a 'Third Age Learners-For-Credit' Status for Senior Citizens
EPC Approval: 10/22/01
Faculty Senate: 11/05/01
Board of Trustees: 11/28/01 - Information Item

Effective Fall 2002 continued

College of Arts and Sciences

Center for Applied Conflict Management

1. Revise CACM 11001, Introduction to Conflict Management [03-03]

LER Status: Approved

EPC Approval: 10/22/01

Faculty Senate: 11/06/01 - Executive Committee

Department of Arts and Sciences

1. The establishment of the independent School of Liquid Crystal Science

EPC Approval: 10/22/01

Faculty Senate: 11/06/01 - Failed

2. Revision of the Economics [ECON] major in the Bachelor of Arts [B.A.] degree program to include ECON 32050, Applied Econometric (03-03) for M&IS 34056, Intermediate Statistics (03-03) as a required course.

EPC Approval: 10/22/01 - Lesser Action

3. Revision of the Economics [ECON] minor by reducing the number of upper division elective hour to 9, thus, reducing the total number of required semester hours from 21 to 18.

EPC Approval: 10/22/01 - Lesser Action

Department of Biological Sciences

1. Revision of the Biology major [BSCI] within the Bachelor of Science [B.S.] degree program to include the establishment of two concentrations: Molecular and Cellular Biology concentration [AAA] and Organismal Biology concentration [BAA].

EPC Approval: 01/28/02

Faculty Senate Approval: 02/11/02 - Executive Committee

2. Revision of BSCI 40158, Molecular Biology of the Gene [03-03] to: Molecular Biology [03-03]

Title: Molecular Biology

Abbreviation: Molecular Biology

Description: Molecular genetics, DNA and RNA structure, chromosomes, DNA replication, recombination, genetic transcription and translation, gene expression, current concepts and technologies

EPC Approval:

03/20/01

College of Arts and Sciences continued
Department of Biological Sciences continued
Effective Fall 2002 continued

3. Establish BSCI 40159, Molecular Biology Laboratory [02-02]

Title: Molecular Biology Laboratory
Abbreviation: Molecular Biology Lab
Number/slash: BSCI 40159; slashed with BSCI 50159, 70159
Prerequisite: BSCI 20140; BSCI 40143 or 40158; CHEM 20481
or 30481; CHEM 30475
Credit Hours: 02-02
Description: Experience in research methods for studying
cellular and molecular processes in plant and animal
systems. Lab meets 6 hours weekly.
Grade Rule: UC
Credit-By-Exam: CBE-N
Activity Type: LLB

EPC Approval: 08/20/01

4. Revision of BSCI 40159 Molecular Biology Laboratory [02-02]

Special Course Fee: \$25.00 per credit hour requested

EPC Approval: 04/15/02

5. Establish BSCI 40191, Senior Seminar [01-01]

Title: Senior Seminar
Abbreviation: Senior Seminar
Number/slash: BSCI 40191
Prerequisite: BSCI 10110, 10120, 20140, 30156, 30360, and
40163
Credit Hours: 01-01
Description: A capstone seminar course to examine biological
topics and scientific contributions across
subdisciplines. Discussion of current problems in
the biological sciences related to societal needs and
concerns.
Grade Rule: U3
Credit-By-Exam: CBE-N
Activity Type: SEM

EPC Approval: 08/20/01

College of Arts and Sciences continued
Department of Biological Sciences continued
Effective Fall 2002 continued

6. Revision of BSCI 50158 Molecular Biology of the Gene [03-03] to: Molecular Biology [03-03]

Title: Molecular Biology
Abbreviation: Molecular Biology
Prerequisite: BSCI 30156 or permission and graduate standing.
Description: Molecular genetics, DNA and RNA structure, chromosomes, DNA replication, recombination, genetic transcription and translation, gene expression, current concepts and technologies

EPC Approval: 08/20/01

7. Establish BSCI 50159, Molecular Biology Laboratory [02-02]

Title: Molecular Biology Laboratory
Abbreviation: Molecular Biology Lab
Number/slash: BSCI 50159 slashed with BSCI 40159, 70159
Prerequisite: BSCI 20140; BSCI 40143 or 40158; CHEM 20481 or 30481; CHEM 30475; or permission. Graduate standing.
Credit Hours: 02-02
Description: Experience in research methods for studying cellular and molecular processes in plant and animal systems. Lab meets 6 hours weekly.
Grade Rule: GC
Credit-By-Exam: CBE-N
Activity Type: LLB

EPC Approval: 08/20/01

8. Revise BSCI 50159 Molecular Biology Laboratory [02-02]

Special Course Fee: \$25.00 per credit hour requested

EPC Approval: 04/15/02

9. Revise BSCI 70158, Molecular Biology of the Gene [03-03] to: Molecular Biology [03-03]

Title: Molecular Biology
Abbreviation: Molecular Biology
Prerequisite: BSCI 30156 or permission and doctoral standing.
Description: Molecular genetics, DNA and RNA structure, chromosomes, DNA replication, recombination, genetic transcription and translation, gene expression, current concepts and technologies

EPC Approval: 08/20/01

College of Arts and Sciences continued
Department of Biological Sciences continued
Effective Fall 2002 continued

10. Establish BSCI 70159, Molecular Biology Laboratory [02-02]

Title: Molecular Biology Laboratory
Abbreviation: Molecular Biology Lab

2. Establish BTEC 10210, Introduction to Biotechnology [03-03]

Title:	Introduction to Biotechnology
Abbreviation:	Intro to Biotechnology
Number/slash:	BTEC 10210
Prerequisite:	BSCI 10120
Credit Hours:	03-03
Description:	Basic principles and applications of modern biotechnology, including recombinant DNA technology, microbial technology, fermentation, genetic engineering, plant and animal tissue culture, and medical biotechnology. Lecture three hours weekly.
Grade Rule:	UC
Credit-By-Exam:	CBE-N
Activity Type:	LEC

EPC Approval: 09/24/01

3. Establish BTEC 40191, Seminar: Recent Developments in Biotechnology [01-01]

Title:	Seminar: Recent Developments in Biotechnology
Abbreviation:	SEM: Rec. Develop Biotech
Number/slash:	BTEC 40191
Prerequisite:	BTEC 10210, BSCI 20140, 30171, 30156, 40158, CHEM 30284, 40248 or permission
Credit Hours:	01-01
Description:	Recent developments in biotechnology explored through the presentation and discussion of research articles and reviews in the biotechnology literature.
Grade Rule:	UC
Credit-By-Exam:	CBE-N
Activity Type:	SEM

EPC Approval: 09/24/01

College of Arts and Sciences continued

4. Establish BTEC 40192, Internship in Biotechnology [06-09]

Title:	Internship in Biotechnology
Abbreviation:	Internship in Biotechnology
Number/slash:	BTEC 40192
Prerequisite:	Biotechnology major and/or permission
Credit Hours:	06-09
Description:	Work experience in a biotechnology laboratory. Registration requires approval of Program Director, and is dependent on availability of internship sites. Written report of activities required.
Grade Rule:	U4
Credit-By-Exam:	CBE-N
Activity Type:	PRA

EPC Approval: 09/24/01

5. Establish BTEC 40196, Individual Investigation in Biotechnology [06-09]

Title:	Individual Investigation in Biotechnology
Abbreviation:	Ind. Invest. Biotechnology
Number/slash:	BTEC 40196
Prerequisite:	Biotechnology major and/or permission
Credit Hours:	06-09
Description:	Research experience in biotechnology. Registration requires approval of Program Director and research director. Written report required.
Grade Rule:	U2
Credit-By-Exam:	CBE-N
Activity Type:	IND

6. Establish BTEC 40210, Case Studies in Biotechnology [03-03]

Title: Case Studies in Biotechnology
Abbreviation: Biotechnology Case Studies
Number/slash: BTEC 40210
Prerequisite: BTEC 10210, BSCI 20140, 30171, 30156, 40158,
CHEM 30284, 40248
Credit Hours: 03-03
Description: Case Studies used to explore biotechnology practice
and the application of various technologies in
industry and medicine. Emphasis placed on
developing problem solving, information gathering,
inductive reasoning, and technical communication
skills.
Grade Rule: UC
Credit-By-Exam: CBE-N
Activity Type: LEC

EPC Approval: 09/24/01

7. Establish BTEC 40220 Bioinformatics [02-02]

Title: Bioinformatics
Abbreviation: Bioinformatics
Number/slash: BTEC 40220
Prerequisite: BSCI 20140, 30171, 30156, 401558, CHEM 30284,
40248 or permission.
Credit Hours: 02-02
Description: Analysis of biological databases including nucleic
acid and protein sequence searching, multiple
sequence alignments, protein classification,
phylogenetic analysis, comparative genomics,
proteomics, protein structure analysis..
Grade Rule: UC
Credit-By-Exam: CBE-N
Activity Type: LEC
