Students who have completed three or four years of high school German should see a German major advisor for placement. Student lacking in sufficient major-level proficiency to take the first major courses (GER 31201 and 31211) can reach it by taking courses in the prerequisite sequence (GER 11201, 11202, 21201 and 21202) based on their placement score and high school training.

**Note:** All German Literature, Culture and Translation majors must take the American Council on the Teaching of Foreign Languages (ACTFL) Oral Proficiency Interview, ACTFL Writing Proficiency Test and the German Outcomes Assessment Test, prior to being cleared for graduation. Information about the exams can be found on the ACTFL Website and the Language Testing International (LTI) website, the exclusive licensee of ACTFL. B.A. in German Literature, Culture and Translation candidates should consult with their designated German faculty advisor for more information on arranging to take the proficiency exams.

**Foreign Language Note:** Students pursuing a Bachelor of Arts degree in the College of Arts and Sciences must have the equivalent of Elementary I and II in any language, and the German Literature, Culture and Translation major requires Intermediate I and II of the same language.

All students with prior foreign language experience should take the foreign language placement test to determine the appropriate level at which to start. Some students may begin their university foreign language experience beyond the Elementary I level and will complete the requirement with fewer credit hours and fewer courses. This may be accomplished by: (1) passing a course beyond Elementary I through Intermediate II level or (2) receiving credit through Credit by Exam (CBE), the College Level Examination Program (CLEP), the Advanced Placement (AP) exam or credit through the International Baccalaureate (IB) program; or (3) being designated a "native speaker" of a non-English language (consult with the College of Arts and Sciences Advising Office for additional information). When students complete the requirement with fewer than 14 credit hours and four courses, they will complete remaining hours with general electives.
