KENT STATE

Roadmap: Special Education - Mild/Moderate Language Arts and Reading - Bachelor of Science in Education EH-BSE-SPED-MMLR Education, Health and Human Services School of Lifespan Development and Educational Sciences Catalog Year: 2014-2015

- 1. See list of Kent Core courses that can be earned through AP, CLEP or CBE exams on page 3
- 2. US 10097 is not required of transfer students with 25 credits or students age 21+ at time of admission.
- 3. A minimum C (2.000) grade must be earned to fulfill the writing-intensive requirement.

Special Major Notes:

Licensure Requirement (not required for graduation):

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. See <u>Ohio Department of Education-</u> <u>Educator Preparation</u> website for more information on assessments specific to licensure type. Taking and passing the licensure tests prior to graduation is encouraged but not required.

Students who pass 15 credits of non-remedial academic coursework each fall and spring semester and the 1-credit First Year Experience course will accumulate 120 credits in four years. This major requires 131 credits for graduation. Students can stay on track for graduation by:

- · Declaring their major as freshmen and completing all courses in sequence (bear in mind that switching majors may cause a delay in graduation);
- · Prioritizing required courses above electives;
- Meeting regularly with their academic advisors to stay on track;
- Passing each required course the first time attempted and maintaining the minimal GPA for the major;
- · Successfully completing more than 15 credit hours of relevant coursework (field-based work, internship) during academic semesters; and/or
