^{1.} US 10097 is not required of transfer students with 25 credits (excluding College Credit Plus and dual-enrollment credit) or students age 21+ at time of admission.

Enrollment in RIS courses is limited to students accepted to technical study, which is a selective process based on program admission criteria listed in the program application packet found on the <u>program website</u>.

^{2.} Number of credits required depends on meeting minimum 120 credit hours and 39 upper division hours.
