Students must declare and complete a minimum of 18 credit hours in a minor, certificate or a second major/degree subject to department faculty advisor approval in a field related to business, technology, health, medicine, science, law, politics or other field in which there is a currently high demand for translators.

Notes:

Students are expected to start in a course appropriate to their language proficiency level. Students lacking in sufficient proficiency to take the first concentration course can reach it by taking courses in the prerequisite sequence based on their placement score and high school training. One or more of the prerequisites may be waived with demonstrated proficiency through the Kent State placement test, AP, CLEP, International Baccalaureate, official ACTFL Proficiency Rating or another department-approved assessment.

Students who fulfill the college language requirement in fewer than 8 credit hours as a result of proficiency will complete remaining hours with general electives. Completion of first junior-level course completes the College of Arts and Sciences foreign language requirements.

Prerequisite courses for the concentration:

GER 11201 Elementary German I (4)	GER 11202 Elementary German II (4)
GER 21201 Intermediate German I (3)	GER 21202 Intermediate German II (3)
