Graduation Requirements Summary

Minimum Total Hours	Minimum Upper-Division Hours 30000 – 40000 level course	Minimum Kent Core Hours	Minimum	
			Major GPA	Overall GPA
121	39	36	2.500	2.500

1. UC 10097 is not required of transfer students with 25 credits (excluding College Credit Plus) or students age 21+ at time of admission
2. Students who have successfully completed either BSCI 11010/11020 Foundational Anatomy and Physiology I/II or EXSC 25057/25058 Human Anatomy and Physiology I/II with a C (2.000) grade or better may use those courses in place of ATTR 25057/25058 Human Anatomy and Physiology I/II.
3. To register for ATTR 15092, students must complete 30 credit hours; make a formal application to the professional phase of the program; provide three professional letters of reference; complete 120 hours of directed observation experiences under the direct supervision of a certified athletic trainer; achieve C or better in ATTR 15001, 15011, 25036 and 25057; secure first aid and CPR certification; an oral and written exam administered through the ATTR 15011 course; secure staff evaluations and complete a self-administered evaluation; and complete an interview with the professional athletic training staff. Students must achieve at least a 70% cumulative score on the admission criteria to be considered for admission.
4. Number of credits required depends on meeting minimum 121 credit hours and 39 upper-division credit hours.

Special Major Notes:

- A minimum C (2.000) grade must be earned in all ATTR coursework.
- Athletic Training is one option for Pre-Physical Therapy curricula. This major will afford the student the opportunity to hold a dual credential (Physical Therapist/Athletic Trainer) at the completion of their advanced degree program in PT. This dual credential provides students the opportunity to seek employment in a variety of health care venues as a dual credentialed professional

University Requirements: Bachelor's degree-seeking students must meet Kent Core (general education requirements), diversity, writing-intensive and experiential learning requirements.
