- Intermediate I and II of the same language
- Elementary I and II of a second language
- Any combination of two courses from the following list:

All students with prior foreign language experience should take the foreign language placement test to determine the appropriate level at which to start. Some students may begin their university foreign language experience beyond the Elementary I level and will complete the requirement with fewer credit hours and fewer courses. This may be accomplished by: (1) passing a course beyond Elementary I through Intermediate II level or (2) receiving credit through Credit by Exam (CBE), the College Level Examination Program (CLEP), the Advanced Placement (AP) exam or credit through the International Baccalaureate (IB) program; or (3) being designated a native speaker of a non-English language (consult with the College of Arts and Sciences Advising Office for additional information). When students complete the requirement with fewer than 14 credit hours and four courses, they will complete remaining hours with general electives.

Special Department Note

Some courses in the Department of Modern and Classical Languages are offered on a rotating basis. Rotations and course availability may change at any time. Please see the Department's [course offering projections](#) and [advising information](#) for assistance with course planning.
