2016–2017 KENT STATE UNIVERSITY REQUIREMENTS

FIRST-YEAR REQUIREMENT

All undergraduate students are required to satisfactorily complete the course US 10097 Destination Kent State: First Year Experience (1 credit) at any one of Kent State's eight campuses with the following exceptions:

1. Incoming students who are designated by Kent State admissions as adult students (21 years or older). These students are encouraged to contact the [Center for Adults and Veteran Services](#) or a regional campus advising office for information regarding the availability of special orientation programs for adult students.
2. Students who transfer 25 or more semester credit hours from another higher education institution, excluding credit earned through College Credit Plus (formerly called PSEOP and dual credit/enrollment).

Full-time students are expected to complete the First Year Experience course during their first semester of enrollment. Part-time students are expected to complete the course before they attain sophomore standing (30 semester credit hours).

DIVERSITY REQUIREMENT

As part of the requirements for a bachelor's degree at Kent State, students must satisfy the diversity requirement, consisting of one course addressing domestic (U.S.) issues and one course addressing global issues.

At least one course must come from the Kent Core. Students may satisfy the second diversity requirement in one of three ways:

1. They may complete the second diversity course from the Kent Core, which also will count toward fulfilling the Kent Core.
2. They may complete any non-Kent Core diversity course. This course may also count toward major or minor program requirements or may be used as an elective.
3. They may, with approval from their dean, satisfy the global diversity requirement by completing one semester of study in another country.

Visit www.kent.edu/catalog/diversity for a list of approved courses that fulfill the diversity requirement.

EXPERIENTIAL LEARNING REQUIREMENT

As part of the requirements for a bachelor's degree at Kent State, students must satisfy the experiential learning requirement. The requirement may be fulfilled by a course, a component of a course or a non-credit paid or unpaid experience. Courses may be at either the lower-or upper-division level. For non-course options, students must obtain prior approval from their program faculty for the experience. The requirement may be fulfilled individually or collaboratively.

Experiential learning opportunities must be completed while enrolled at Kent State University. Visit www.kent.edu/catalog/elr for a list of approved courses that fulfill the diversity requirement.

WRITING-INTENSIVE REQUIREMENT

As part of the requirements for a bachelor's degree at Kent State, students must satisfy the writing-intensive course requirement. At least one upper-division, writing-intensive course (as designated in the catalog) must be completed with a minimum C grade.

Students should fulfill the requirement by taking a course in the major. In rare instances, a student may use a writing-intensive course from another discipline if approved by the student's major department or school.

Visit www.kent.edu/catalog/wic for a list of approved courses that fulfill the writing-intensive requirement.
