

INTER-DEPARTMENTAL CORRESPONDENCE

**Office of the Provost
Kent State University
Kent, Ohio 44242**

Date February 3, 1998

To Members of Faculty Senate, Educational Policies Council, and
Deans, Directors, and Chairs

From Lois Muir, Associate Provost
[lmuir@kent.edu]

Subject Curricular Bulletin 172

Enclosed please find Curricular Bulletin 172 which documents the actions approved by the Educational Policies Council from December 1995 through September 1996. The Certification of Curriculum Proposals (CCP) for each item within your area are also enclosed.

I am grateful to Kathryn Myers for her work completing this document.

If you have an questions, please don't hesitate to contact Connie DiMascio by phone at extension 2220, by FAX at 2644, or by email at cdimasci@kent.edu. She will be glad to assist you.

Curricular Bulletin
of
The Educational Policies Council

No. 172
December 1997

The following approved actions are effective **Fall 1996**.

College of Arts and Sciences

History Department

1. Revised HIST 61000 Introduction to History
 Grade rule changed to G0 (S/U and IP)
 EPC Approval: 10/21/96

2. Revised HIST 69898 Research
 Grade rule changed to GD (R and IP)
 EPC Approval: 10/21/96

3. Revised HIST 81000 Introduction to Historical Studies
 Grade rule changed to G0 (S/U and IP)
 EPC Approval: 10/21/96

4. Revised HIST 89898 Research
 Grade rule changed to GD (R and IP)
 EPC Approval: 10/21/96

The following approved actions are effective Fall 1997.

Office of the Provost

1. Revised Admissions policy for undergraduate students
Includes revision of placement process and removal of unconditional/conditional status.
EPC Approval: 1/22/96
2. Recommendation concerning the universal adoption of minors
Forwarded from A&A Deans
 - Each college/school offering minors that are available university-wide will prepare packets containing requirement sheets for the minors. Included with each of these minor sheets will be procedural guidelines describing how to declare the minor and how to process exceptions to the stated minor requirements.
 - Students in a college/school are subject to all requirements set by their college/school regarding major and minor grade point averages, except in the case where a student pursues a minor in another college/school which has established a minimum minor grade point average requirement for all students pursuing that minor. In that event the student will be subject to the minimum grade point average established by the college/school offering the minor.EPC Approval: 8/26/96
3. Establishment of Dean's List for Part-time students
Forwarded from A&A Deans
EPC Approval: 8/26/96
4. Re-certification of the Liberal Education Requirement courses
Addition of CHEM 10030, Chemistry in Our World as an LER course
Addition of A&S 10095, Special Topics: Exploration s in Mathematics [LER status for Spring Semester 1997 only]
Forwarded by the Liberal Education Requirement Curriculum Committee (LERCC)
EPC Approval: 9/16/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

Provost's Office continued

5. Revision of Liberal Education Requirements

Elimination of the Current Requirement that two courses be taken in one curricular area in Categories III (Humanities and Fine Arts) and IV (Social Sciences)

Forwarded by the Liberal Education Requirements Curriculum Committee

EPC Approval: 12/16/96

6. Concomitant catalog changes for 121 credit hour minimum graduation requirement

Extensive list including: revisions to class standing, Freshman Rule for Recalculation of Grade Point Average, Graduation with Institutional Honors, Residence Requirement, etc.

EPC Approval: 12/16/96

Aerospace Studies

1. Revised ASTU 10101 United States Military Forces in the Contemporary World I

Course title changed to: The Air Force Today I

Course abbreviation changed to: The Air Force Today I

Course description changed to: Introduction to the United States Air Force and Air Force Reserve Officer Training Corps. Explores mission and organization of the Air Force, officership and professionalism, officer opportunities, and introduction to communication skills.

EPC Approval: 6/17/96

2. Revised ASTU 10102 United States Military Forces in the Contemporary World II

Course title changed to: The Air Force Today II

Course abbreviation changed to: The Air Force Today II

Course description changed to: Introduction to environment of the Air Force officer, basic principles of leadership, selected topics that contribute to an understanding of the Air Force today, and practice of basic communication skills.

EPC Approval: 6/17/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

Provost's Office continued

Aerospace Studies continued

3. Revised ASTU 20101 The Development of Air Power I

Course title changed to: The Air Force Way I

Course abbreviation changed to: The Air Force Way I

Course description changed to: A survey course designed to facilitate the transition from Air Force ROTC cadet to Air Force ROTC candidate. Topics include development of air power, Air Force heritage, and Air Force leaders.

EPC Approval: 6/17/96

4. Revised ASTU 20102 The Development of Air Power II

Course title changed to: The Air Force Way II

Course abbreviation changed to: The Air Force Way II

Course description changed to: Introduction to quality Air Force principles, ethics and values, leadership, and continuing application of communication skills.

EPC Approval: 6/17/96

5. Revised ASTU 30101 Professional Officer I

Course title changed to: Air Force Leadership and Management I

Course abbreviation changed to: Air Force Leadership I

Course description changed to: Study of leadership and quality management fundamentals, professional knowledge, and communication skills required for an Air Force officer.

EPC Approval: 6/17/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

Provost's Office continued

Aerospace Studies continued

6. Revised ASTU 30102 Professional Officer II

Course title changed to: Air Force Leadership and Management II
Course abbreviation changed to: Air Force Leadership II
Course description changed to: Employs case studies to examine Air Force leadership and management situations as a means of demonstrating and exercising practical application of concepts. Explores Air Force officer's responsibilities and duties as a subordinate leader.

EPC Approval: 6/17/96

7. Revised ASTU 40101 National Security Forces in Contemporary American Society I

Course title changed to: Preparation for Active Duty I
Course abbreviation changed to: Preparation for Duty I
Course description changed to: Professional ethics, personal responsibilities of military leaders; civil-military relations. Socialization processes within the armed forces. Military law and justice systems.

EPC Approval: 6/17/96

8. Revised ASTU 40102 National Security Forces in Contemporary Society II

Course title changed to: Preparation for Active Duty II
Course abbreviation changed to: Preparation for Duty II
Course description changed to: Political, economic, and social constraints upon national security/defense structure. Determinants of national security policy. Role of military establishment in democratic society.

EPC Approval: 6/17/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences

1. Revised Bachelor of General Studies degree
Modify restriction on eligibility and count CACM course work as Arts and Sciences course work.
EPC Approval: 3/18/96
2. Abandoned Cytotechnology major [Bachelor of Science degree]
EPC Approval: 3/18/96
3. Revised Integrated Life Sciences major [Bachelor of Science degree]
Replace requirement: MATH 12001, Algebra and Trigonometry or elective (04-06)
with
Humanities or elective (06)
Major hours remain the same.
EPC Approval: 3/18/96
4. Revised Pre-medicine, Pre-osteopathy, Preveterinary Medicine major [Bachelor of Arts, Bachelor of Science, and Bachelor of General Studies degrees]
Remove requirement: MATH 12001, Algebra and Trigonometry
Major hours reduced from 54-55 to 50-51.
EPC Approval: 3/18/96
5. Revised Zoology major [Bachelor of Science degree]
Remove requirement: MATH 12001, Algebra and Trigonometry
Major hours reduced from 84 to 80.
EPC Approval: 3/18/96
6. Revised the College of Arts and Sciences requirement for hours to degree completion from 129 to 121 for a selected list of majors [Bachelor of Arts and Bachelor of Science degrees]
EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

7. Revised the College of Arts and Sciences requirement for hours to degree from 129 to 121 [Bachelor of General Studies degree]
EPC Approval: 5/20/96
8. Revised policy to exclude HONR 40099 from 16-credit hour limit of non-traditional course work.
EPC Approval: 9/16/96
9. Revised Management and Industrial Studies major [Bachelor of Science degree]
Extensive revisions
EPC Approval: 9/16/96
10. Established A&S 61000 Introduction to Liberal Studies
Credit Hours: 02
Prerequisite: Graduate Standing
Credit/Exam: Not Available
Course Fee: None
Course Description: Introduction to history, philosophy, and curricular structure of graduate liberal studies.
EPC Approval: 8/26/96
11. Established A&S 61095 Liberal Studies Seminar
Credit Hours: 03
Prerequisite: Graduate Standing
Credit/Exam: Not Available
Course Fee: None
Course Description: An interdisciplinary seminar designated for candidates in the Liberal Studies program. Topics will vary.
EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

12. Established A&S 61098 Liberal Studies Essay

Credit Hours: 03

Prerequisite: Graduate Standing

Credit/Exam: Not Available

Course Fee: None

Course Description: The preparation of an essay of approximately fifty pages on a topic related to the student's program of study for the Master of Liberal Studies degree.

EPC Approval: 8/26/96

Anthropology Department1. Revised ANTH 18420 Prehistoric Archaeology

Course description changed to: This course introduces students to the study of prehistory with a focus on both methods and techniques and on the major events leading to the emergence of world civilizations.

EPC Approval: 9/16/96

2. Revised ANTH 48212 Kinship and Social Organization

Prerequisite changed to: ANTH 18210

Course description changed to: This course employs cross-cultural approaches to the understanding of marriage, family organization, descent, and kinship systems.

EPC Approval: 5/20/96

3. Revised ANTH 48810 Human Paleontology

Prerequisite changed to: ANTH 38630

Course description changed to: Study of primate fossils of the Miocene and Pliocene to include the origins of humans and their earliest ancestors.

EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Anthropology Department continued

4. Revised ANTH 48820 Human Musculo-skeletal System

Course abbreviation changed to: Human Musculo-skel System

Prerequisite changed to: ANTH 38630

Course description changed to: A largely hands-on course introducing the study of human anatomy for students interested in biological anthropology and archaeology. Topics include skeletal and functional anatomy, biomechanics, and estimation of age and sex from isolated bones.

EPC Approval: 5/20/96

5. Revised ANTH 58212 Kinship and Social Organization

Course description changed to: This course employs cross-cultural approaches to the understanding of marriage, family organization, descent, and kinship systems.

EPC Approval: 5/20/96

6. Revised ANTH 58810 Human Paleontology

Prerequisite changed to : Graduate Standing

Course description changed to: Study of primate fossils of the Miocene and Pliocene to include the origins of humans and their earliest ancestors.

EPC Approval: 5/20/96

7. Revised ANTH 58820 Human Musculo-skeletal System

Course abbreviation changed to: Human Musculo-skel System

Prerequisite changed to: Graduate Standing

Course description changed to: A largely hands-on course introducing the study of human anatomy for students interested in biological anthropology and archaeology. Topics include skeletal and functional anatomy, biomechanics, and estimation of age and sex from isolated bones.

EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Science continued

Biological Sciences Department

1. Revised Biology major [Bachelor of Science degree]
Remove requirement: MATH 12001, Algebra and Trigonometry
Major hours reduced from 84 to 80.
EPC Approval: 3/18/96
2. Revised Botany major [Bachelor of Science degree]
Remove requirement: MATH 12001, Algebra and Trigonometry
Major hours reduced from 84 to 80.
EPC Approval: 3/18/96
3. Revised BSCI 10001 Human Biology: Cells and Systems
Course title changed to: Human Biology
Course abbreviation changed to: Human Biology
EPC Approval: 9/16/96

Chemistry Department***Chemistry***

1. Established CHEM 10030, Chemistry in Our World
Credit Hours: 03
Prerequisite: None
Credit/Exam: Available with Department Approval
Course Fee: None
Course Description: A course for non-science majors which utilizes environmental and consumer topics to introduce chemical principles and develop critical thinking skills. *This course may be used to satisfy the Liberal Education Requirements.*
EPC Approval: 9/16/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Chemistry Department continued

2. Revised CHEM 10050 Fundamentals of Chemistry

Course description changed to: Basic concepts of chemistry (including atomic structure, chemical bonding, and reactions) necessary for courses in elementary organic chemistry and physiological chemistry.

EPC Approval: 9/16/96

3. Revised CHEM 10052 Introduction to Organic Chemistry

Course description changed to: Chemistry of organic and biological molecules necessary for the study of physiological chemistry.

EPC Approval: 9/16/96

4. Revised CHEM 10053 Inorganic and Organic Laboratory

Course description changed to: Laboratory with experiments covering material from CHEM 10050, 10052, and 10054.

EPC Approval: 9/16/96

5. Revised CHEM 10054 General and Elementary Organic Chemistry

Course description changed to: A course covering the basic concepts of general, inorganic, and organic chemistry necessary for the study of physiological chemistry.

EPC Approval: 9/16/96

6. Abandoned CHEM 40249 Biochemical Techniques

EPC Approval: 8/26/96

7. Abandoned CHEM 40250 Biochemical Techniques

EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Chemistry Department continued

8. Abandoned CHEM 50249 Biochemical Techniques
EPC Approval: 8/26/96
9. Abandoned CHEM 50250 Biochemical Techniques
EPC Approval: 8/26/96
10. Established CHEM 60249 Biochemical Techniques
[slashed with CHEM 70249]
Credit Hours: 02
Prerequisite: Pre- or corequisite CHEM 50247
Credit/Exam: Not Available
Course Fee: None
Course Description: Introduction to basic research laboratory procedures and applications of modern methods and equipment in solving biochemical problems. Laboratory work done in rotations guided by several participating faculty members.
EPC Approval: 8/26/96
11. Established CHEM 60250 Biochemical Techniques
[slashed with CHEM 70250]
Credit Hours: 02
Prerequisite: CHEM 60249
Credit/Exam: Not Available
Course Fee: None
Course description: Introduction to basic research laboratory procedures and applications of modern methods and equipment in solving biochemical problems. Laboratory work done in rotations guided by several participating faculty members.
EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Chemistry Department continued

12. Revised CHEM 70249 Biochemical Techniques

[slashed with CHEM 60249]

Course description changed to:

Introduction to basic research laboratory procedures and applications of modern methods and equipment in solving biochemical problems. Laboratory work done in rotations guided by several participating faculty members.

EPC Approval: 8/26/96

13. Revised CHEM 70250 Biochemical Techniques

[slashed with CHEM 60250]

Course description changed to:

Introduction to basic research laboratory procedures and applications of modern methods and equipment in solving biochemical problems. Laboratory work done in rotations guided by several participating faculty members.

EPC Approval: 8/26/96

*Physical Science*1. Revised PSCI 11660 Physical Science

Course description changed to:

A course integrating basic concepts in chemistry, physics, and astronomy.

EPC Approval: 9/16/96

2. Revised PSCI 11661 Physical Science

Course description changed to:

A course illustrating fundamental topics in chemistry, earth science, and astronomy.

EPC Approval: 9/16/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Criminal Justice Studies Department1. Revised Paralegal Studies minor

Rearranged existing courses into three categories of requirements.

Add to select from list: CJST 38007, Human Service Agencies and the Law
(03)

EPC Approval: 5/20/96

English Department1. Established Studies in Literacy, Rhetoric, and Social Practice [Doctor of Philosophy degree]

EPC Approval: 5/20/96

[Note: change in title to Rhetoric and Composition prior to submission to Faculty Senate.]

2. Revised ENG 30067 Fiction Writing I

Course description changed to: Instruction and practice in writing fiction with specific models and discussions of student work on a weekly basis.

EPC Approval: 5/20/96

3. Revised ENG 30068 Fiction Writing II

Course description changed to: Continued instruction and practice in writing of fiction with specific models and discussion of student work on a weekly basis.

EPC Approval: 5/20/96

4. Revised ENG 30069 Poetry Writing I

Course description changed to: Instruction in and practice of writing poetry with specific models and discussion of student work on a weekly basis.

EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

English Department continued

5. Revised ENG 30070 Poetry Writing II

Course description changed to: Continued practice in writing of poetry with specific models and discussion of student work on a weekly basis.

EPC Approval: 5/20/96

6. Revised ENG 31043 Adolescent Literature

Course title changed to: Literature for Young Adults

Course abbreviation changed to: Lit for Young Adults

EPC Approval: 5/20/96

Geography Department

1. Revised GEOG 10160 Introduction to Geography

Course description changed to: Emphasizes processes which generate diverse global human and environmental patterns. Interaction of geographical elements as expressed in spatial organization of cities, land use, and cultural and political regions.

EPC Approval: 9/16/96

2. Revised GEOG 27063 World Geography

Course description changed to: Examination and comparison of geographic conditions in different regions of the world. Stresses inter-relationships between people and resources within and between regions and countries.

EPC Approval: 9/16/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Geography Department continued

3. Revised GEOG 27064 Geography of the United States and Canada

Course description changed to: Analysis of the spatial patterns of significant human and physical characteristics and interpretation of the major regions within the two nations.

EPC Approval: 9/16/96

Geology Department

1. Revised GEOL 11042 Earth Evolution

Course title changed to: Earth History

Course abbreviation changed to: Earth History

Prerequisite changed to: None

EPC Approval: 9/16/96

2. Revised GEOL 11043 Earth Evolution Lab

Course title changed to: Earth History Lab

Course abbreviation changed to: Earth History Lab

EPC Approval: 9/16/96

Modern and Classical Languages and Literatures

*French*1. Revised FR 13201 Elementary French I

Course description changed to: An introduction to the French language in the context of Francophone cultures.

EPC Approval: 9/16/96

College of Arts and Sciences continued

Modern and Classical Languages and Literatures continued

2. Revised FR 13202 Elementary French II

Course description changed to: A continuation of the introduction to the French language in the context of Francophone cultures.

EPC Approval: 9/16/96

3. Revised FR 23201 Intermediate French I

Course description changed to: Continued development of speaking, listening, reading, and writing skills using a variety of cultural materials.

EPC Approval: 5/20/96

4. Revised FR 23202 Intermediate French II

Course description changed to: Continuation of FR 23201; credit may be given for FR 23202 or for FR 23206, but not for both.

EPC Approval: 5/20/96

*German*1. Revised Translator program within the German major [Bachelor of Arts degree]

Removed requirements: GER 31230, Translation I
GER 31240, Conversation for Business and Special
Purposes: German

Added requirements: MCLS 30230, Approaches to Translation
GER 31231, Translation Practice
GER 41230, Advanced Translation Practice

Major hours changed from 45 to 45-46.

EPC Approval: 5/20/96

College of Arts and Sciences continued

Modern and Classical Languages and Literatures continued

2. Revised Translator program within the German minor

Removed requirements: GER 31230, Translation I

Physics Department

1. Revised Physics major [Bachelor of Arts degree]

Major hours increased from 50 to 52 to accommodate changes in PHY 30020 and 40020 from 01 credit hour to 02. Elective hours reduced from 17 to 15 hours.

EPC Approval: 8/26/96

2. Revised Computer Hardware Systems concentration within the Physics major [Bachelor of Science degree]

Concentration hours increased from 28 to 29 to accommodate changes in PHY 30020 and 40020 from 01 credit hour to 02. Physics elective hours reduced from 07 to 06 hours.

EPC Approval: 8/26/96

3. Revised General Physics concentration within the Physics major [Bachelor of Science degree]

Concentration hours increased from 28 to 29 to accommodate changes in PHY 30020 and 40020 from 01 credit hour to 02. Physics elective hours reduced from 14 to 13 hours.

EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Physics Department continued

4. Revised Applied Physics concentration within the Physics major [Bachelor of Science degree]
Remove requirement: PHY 35102, Mechanics II
Add Physics elective hours: 02 credit hours
Concentration hours decreased from 30 to 29 hours.
Major hours revised from 84-86 to 85.
EPC Approval: 8/26/96
5. Revised Physics minor
Minor hours increased from 17 to 18 to accommodate change in PHY 30020 from 01 credit to 02.
Elective hours reduced from 06 to 05 hours.
Minor hours remain the same at 23.
EPC Approval: 8/26/96
6. Revised Physics major [Master of Arts degree]
Remove "Computer proficiency requirement."
EPC Approval: 8/26/96
7. Revised Physics major [Master of Science degree]
Remove "Computer proficiency requirement."
EPC Approval: 8/26/96
8. Revised Physics major [Doctor of Philosophy degree]
Remove "Computer proficiency requirement."
EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Physics Department continued

9. Revised PHY 11030 Seven Ideas That Shook the Universe
Course description changed to: Description of major revolutionary physical concepts and their implications for understanding the physical universe. Not counted toward Physics major.
EPC Approval: 9/16/96
10. Revised PHY 21430 Frontiers in Astronomy
Course description changed to: Modern description of astrophysical observations, the results of these observations, and the physical principles based on them. Not counted toward requirements for major in Physics.
EPC Approval: 9/16/96
11. Revised PHY 30020 Intermediate Physics Lab
Credit hours changed to: 02
EPC Approval: 8/26/96
12. Revised PHY 35402 Scientific Computing
Course description changed to: Solution of scientific problems with a PC using QBASIC or C language. Includes applications to integral and differential equations of physical sciences. Credit not given for both PHY 22402 and 35402. "IP" grade permissible.
EPC Approval: 8/26/96
13. Revised PHY 35611 Microprocessor-based Design I
Course description changed to: Microprocessors as the basis for intelligent controllers and instruments. Signal analysis, input/output, interrupt handling, and data connectors. "IP" grade permissible.
EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Physics Department continued

14. Revised PHY 36001 Introductory Modern Physics

Prerequisite changed to: MATH 12003 and PHY 23102, or permission
Course description changed to: Special theory of relativity, Rutherford-Mohr model of atom, quantization of light, matter waves, Schroedinger equation, Hydrogen atom, electron spin, multi-electron atoms.

EPC Approval: 8/26/96

15. Revised PHY 40020 Advanced Physics Lab

Credit hours changed to: 02

EPC Approval: 8/26/96

16. Revised PHY 40096 Individual Investigation

Course description changed to: Individual projects for Physics majors. "IP" grade permissible.

EPC Approval: 8/26/96

17. Revised PHY 42513 Computer Systems Design

Course description changed to: Hands-on experience in selecting and using a microcomputer-based data acquisition and control system in the science laboratory. One hour lecture, 4 hours lab weekly. "IP" grade permissible.

EPC Approval: 8/26/96

18. Revised PHY 45612 Microprocessor-based Design II

Course description changed to: Design, construction, programming, and interfacing of micro-controllers based on a 16-bit microprocessor. "IP" grade permissible.

EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Physics Department continued

19. Revised PHY 50020 Advanced Physics Lab
Credit hours changed to: 02
EPC Approval: 8/26/96
20. Revised PHY 50096 Individual Investigation
Course description changed to: Individual projects for Physics graduate students.
"IP" grade permissible.
EPC Approval: 8/26/96
21. Revised PHY 52513 Computer Systems Design
Course description changed to: Hands-on experience in selecting and using a microcomputer-based data acquisition and control system in the science laboratory. One hour lecture, 4 hours lab weekly. "IP" grade permissible.
EPC Approval: 8/26/96
22. Abandoned PHY 54801 Space Science
EPC Approval: 8/26/96
23. Revised PHY 55612 Microprocessor-based Design II
Course description changed to: Design, construction, programming, and interfacing of micro-controllers based on a 16-bit microprocessor. "IP" grade permissible.
EPC Approval: 8/26/96
24. Abandoned PHY 61050 Physics in the Modern World
EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

Physics Department continued

25. Established PHY 66201 Particle PhysicsEstablished PHY 76201 Particle Physics

Credit Hours: 03

Prerequisite: PHY 66162 or 76162 or permission

Credit/Exam: Not Available

Course Fee: None

Course Description: Discussion of particle detectors, invariance principles, and conservation laws, fundamental interactions, quark model of hadrons, basic concepts of field theory, the standard model, and selected topics of current interest.

EPC Approval: 8/26/96

Political Science Department

1. Revised POL 40992 Public Service

Credit hours changed to: 01-03

EPC Approval: 5/20/96

School of Exercise, Leisure and Sport

1. Revised Leisure Services Management concentration within the Leisure Studies major [Bachelor of Science degree]

Removed requirements: Physical education activities (removed 01 hour only)
Electives (removed 07 hours)
Minor

Concentration hours reduced from 51 to 43.

Hours-to-degree reduced from 129 to 121.

EPC Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Arts and Sciences continued

School of Exercise, Leisure and Sport continued

2. Revised Therapeutic Recreation concentration within the Leisure Studies major [Bachelor of Science degree]
Removed requirements: Physical education activities (removed 01 hour only)
 General electives (10 hours)
Added requirement: PEP 35079, Sports Physiology (03)
Concentration hours reduced from 54 to 43
Hours-to-degree reduced from 129 to 121.
EPC Approval: 8/26/96
3. Inactivated Physical Education for Exceptional Persons--PE Majors minor
EPC Approval: 8/26/96
4. Inactivated Physical Education for Exceptional Persons-Non PE Majors minor
EPC Approval: 8/26/96
5. Revised Leisure Studies minor
Removed requirement: 12 hours of Guided Electives
Add requirement: LEST 26030, Recreation Group Leadership (03)
Hours in minor reduced from 28 to 19.
EPC Approval: 10/21/96
6. Established Sport Management for Non-Majors minor
EPC Approval: 10/21/96
7. Established Sport Management for Leisure Studies Majors minor
EPC Approval: 10/21/96
8. Established Sport Management for Physical Education Majors minor
EPC Approval: 10/21/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

Leisure Studies

1. Revised LEST 26030 Recreation Group Leadership
Prerequisite changed to: LEST 16000
EPC Approval: 8/26/96
2. Revised LEST 36060 Commercial Recreation and Tourism
Prerequisite changed to: LEST 16000 or permission
EPC Approval: 8/26/96
3. Revised LEST 36092 Practicum in Therapeutic Recreation
Prerequisite changed to: LEST 16000
EPC Approval: 8/26/96
4. Revised LEST 36192 Practicum in Leisure Services Management
Prerequisite changed to: LEST 16000
Course description changed to: (repeatable for a total of 3 hours)
A 60-hour field experience in a leisure services setting. Must be approved by the instructor prior to registration.
EPC Approval: 8/26/96
5. Revised LEST 46030 Dynamics of Leisure Behavior
Prerequisite changed to: LEST 36040 and 36075, PEP 25068 or PSYC 21621, or permission
EPC Approval: 8/26/96
6. Revised LEST 46070 Resources for Leisure
Prerequisite changed to: LEST 36040 and 36075, or permission
EP:C Approval: 8/26/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Business Administration

1. Revised Admission Policy

Require a 2.25 minimum grade point average for admission to the College of Business Administration.

Require a 2.25 minimum grade point average for admission to an upper-division major in the College of Business Administration, except Accounting.

Eliminate the 2.25 minimum upper-division grade point average required for graduation from the College of Business Administration.

EPC Approval: 4/15/96

2. Revised Master of Science in Accounting degree

Extensive revision

EPC Approval: 5/20/96

Accounting Department

1. Abandoned ACCT 43018, Contemporary Accounting Problems

EPC Approval: 3/18/96

Administrative Sciences Department

1. Revised Business Management major [Bachelor of Business Administration degree]

Removed requirement: ADMS 44095, Contemporary Topics in Management:
Quality, Diversity and Ethics (03)

Removed from selection
list:

ADMS 44060, Management Information Systems (03)

ADMS 44179, Organizational Theory (03)

Add requirement: ADMS 44150, Total Quality Management (03)

Add to selection list: ADMS 34183, Developing and Training Human Resources
in Organizations (03)

ADMS 44043, Data Base Applications (03)

Add Option I and Option II under Electives (Category B).

Major hours remain 36.

EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Business Administration continued

Administrative Science Department continued

2. Revised Computer Information Systems minor

Removed requirement: COMT 21001, Applications Programming (04)
Removed "OR" statements from requirement list

Moved from requirement to
elective: ADMS 24001, Principles of Systems Development (03)

Removed from selection
list: CS 10061, Introduction to Computer Science (03)
CS 23021, Intermediate Programming and Applications (03)
CS 33005, Symbolic Programming Languages (03)

Add to selection list: ADMS 44048, Software Integration (03)
ADMS 44049, Network Management (03)
ADMS 44292, Internship in IS (03)

Minor hours changed from 15-16 to 15.

EPC Approval: 5/20/96

3. Revised Management minor

Removed requirement: ADMS 44095, Special Topics (03)

Added requirement: ADMS 44150, Total Quality Management (03)

Minor hours remain 24.

EPC Approval: 5/20/96

4. Revised ADMS 24042 Systems Analysis I

Prerequisite changed to: ADMS 24053

EPC Approval: 5/20/96

5. Revised ADMS 24055 Principles of Business Statistics

Prerequisite changed to: MATH 11012 or 12002

EPC Approval: 5/20/96

6. Revised ADMS 34032 Data and File Technology

Prerequisite changed to: ADMS 24053. See Note 1 and Note 2.

EPC Approval: 5/20/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Business Administration continued

Course Description: (repeatable for a total of 9 hours) Various special colloquia will be announced in the *Schedule of Classes* under this number.

EPC Approval: 10/21/96

Finance Department

1. Revised FIN 36053. Business Finance

Prerequisite changed to: ACCT 23020 and ECON 22060 and 22061

EPC Approval: 1/22/96

2. Revised FIN 36062. Real Estate Appraisal

Removed writing-intensive course status.

EPC Approval: 4/15/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Education

1. Revised Pre-education submajor codes
Expanded from 5 codes to 85 codes
EPC Approval: 5/20/96
2. Revised Universal Professional Requirements [for all graduate degrees]
EPC Approval: 8/26/96

Education

1. Established EDUC 65510 Statistics I for Educational Services
Established EDUC 75510 Statistics I for Educational Services
Credit Hours: 03
Prerequisite: Graduate Standing for EDUC 65510
Doctoral Standing for EDUC 75510
Credit/Exam: Available with Department Approval
Course Fee: None
Course Description: Introduction to descriptive and inferential statistics used in educational services research: univariate and bivariate techniques (correlation and simple regression); hypothesis testing; non-parametric techniques. Enhanced use of the GB-STAT package.
EPC Approval: 8/26/96
2. Established EDUC 65511 Research in Educational Services
Credit Hours: 03
Prerequisite: Graduate Standing
Credit/Exam: Not Available
Course Fee: None
Course Description: Introduction to purposes and practice of research related to educational services. Emphasis on elements of doing research and using products of research to support and enhance practice. Authentic examples used as illustration.
EPC Approval: 6/17/96

NOTE: All new and revised special course fees requested are subject to Board of Trustees' approval.

College of Education continued

3. Established EDUC 65520 Child and Adolescent Development

Credit Hours: 03

Prerequisite: Graduate Standing

Credit/Exam: Not Available

Course Fee: None

Course Description: Dimensions of human development and learning, causal factors, and research findings which carry implications for educators in various settings; focusing on birth through adolescence.

EPC Approval: 8/26/96

4. Established EDUC 65521 Adult Development

Credit Hours: 03

Prerequisite: Graduate Standing

Credit/Exam: Not Available

Course Fee: None

Course Description: Essential dimensions of human development and learning, the causal factors, and the research findings which carry implications for educators in various settings; focusing on early through late adulthood.

EPC Approval: 8/26/96

5. Established EDUC 65523 Life Span Development

Credit Hours: 03

Prerequisite: Graduate Standing

Credit/Exam: Not Available

Course Fee: None

Course Description: Orientation to human development across life span from conception to death; emphasis on pluralistic determinants of individual growth within changing environmental contexts. Implications for education and human service practices are emphasized.
