Additional (6 credit hours)	May fulfill global diversity course requirement	6

Note 1: Students who have successfully completed BSCI 20020 Biological Structure and Function may use that course in place of ATTR 25058 Human Anatomy and Physiology II. They are still required to take ATTR 25057 Human Anatomy and Physiology I. Students who have successfully completed either BSCI 11010/11020 Anatomy and Physiology in Allied Health I/II or EXSC 25057/25058 Human Anatomy and Physiology I/II may use those courses in place of ATTR 25057/25058 Human Anatomy and Physiology I/II.

Note 2 : To register for ATTR 15092, students must complete 30 credit hours; make a formal application to the professional phase of the program; provide three professional letters of reference; complete 120 hours of directed observation experiences under the direct supervision of a certified athletic trainer; achieve C or better in ATTR 15001, 15011, 25036 and 25057; secure first aid and CPR certification; an oral and written exam administered through the ATTR 15011 course; secure staff evaluations and complete a self-administered evaluation; and complete an interview with the professional athletic training staff. Students must achieve at least a 70% cumulative score on the admission criteria to be considered for admission.

Special Major Notes:

- A minimum C (2.000) grade must be earned in all ATTR coursework.
- Athletic Training is one option for Pre-Physical Therapy curricula. This major will afford the student the opportunity to hold a dual credential (Physical Therapist/Athletic Trainer) at the completion of their advanced degree program in PT. This dual credential provides students the opportunity to seek employment in a variety of health care venues as a dual credentialed professional

Kent Core

Students must complete a minimum 36 credit hours of the Kent Core. Certain courses required in programs and in student's major field may also fulfill the Kent Core. Honors equivalents shall satisfy the Kent Core. None of the courses on the Kent Core list may be taken with a pass/fail grade. Visit www.kent.edu/catalog/kent-core for course list.

Diversity Course Requirement

Students must complete a two-course diversity requirement, consisting of one with a domestic (U.S.) focus and one with a global focus. One course must come from the Kent Core. The second course may be taken as a second Kent Core, within a major or minor, or as a general elective; or, with dean's approval, by completing one semester of study in another country. Visit www.kent.edu/catalog/diversity for course list.

Writing-Intensive Course Requirement

Students must complete a one-course writing-intensive requirement in their major and earn minimum C (2.000) grade. Visit www.kent.edu/catalog/wic for course list.

Upper-Division Requirement

Students must complete a minimum 39 upper-division (numbered 30000 to 49999) credit hours of coursework. Programs in the College of Arts and Sciences require a minimum of 42 hours of upper-division coursework.
